

Christmas Retail Signage and Safety Signage Catalogue

Helping retail spaces to stay safe this Christmas

All content included in this catalogue (including, but not limited to, logos, images, photos, designs, graphics and text) is the property of ARC UK Technologies Ltd and as such is protected by UK and international copyright and other intellectual property laws. Any unauthorised reproduction or copying of the products, graphics or images featured in this catalogue and belonging to ARC UK Technologies Ltd may result in legal action.

Christmas Retail Signage

Christmas Signage & Marketing

ARC produce a wide range of small format Christmas Marketing materials, including Christmas brochures, Invitations & Leaflets, Christmas Menus to Christmas Cards

With the very latest in print technology ARC - Digitally printed gold, silver, white and clear ink can help your marketing stand out from the crowd at a fraction of the price of traditional foiling.

Christmas Window Décor

ARC also have a wide range of affordable Christmas window décor available to make sure your business stands out.

Stay safe this Christmas

Christmas Safety Signage

Christmas is a wonderful time of year for the retail world, but with the advent of Coronavirus it's important to help customers stay safe while they are shopping.

ARC have produced a wide range of retail safety signage and floor stickers for use in retail spaces where maintaining social distancing really matters. There are different designs to suit your environment and to help customers stay safe. Custom designed signage is also available on request.

Thinking ahead

Did you know ARC also produce and install magnetic retail display systems, making graphics easy to change to keep them current and up-to-date.

Displays and modular systems

From temporary display units to modular systems, ARC can offer a huge array of display products and accessories to choose from.

For a copy of our **100-page displays catalogue** please email holidays@e-arc.com or call (833) 272-8880

Ask us about our 100-page displays catalogue

Cut-lettering Window Graphics

Media options for cut-lettering window graphics are listed below, and can be custom sized to suit your space. Custom designs available upon request.

Cut-frosting lettering

White cut-vinyl lettering

Metallic / coloured cut-vinyl lettering. Available in a wide range of colours

Printed cut-vinyl window graphics. Any graphics can be printed in custom colours to suit your brand.

Cut-lettering Inspiration

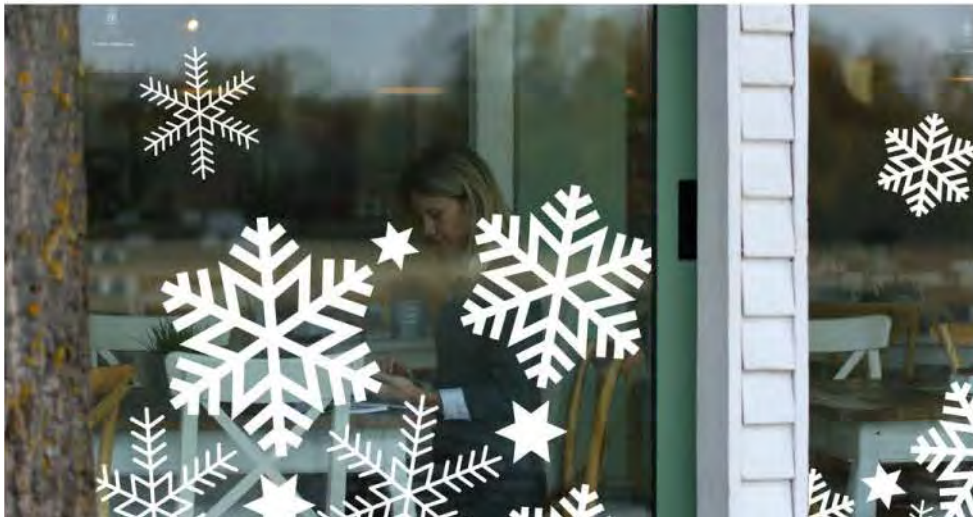

Please see page 8 for media options.

Custom designs available upon request.

Cut-vinyl Window Graphics

Whether you want to create a snow scene, or hang bauble graphics from your windows, ARC's cut-vinyl graphics will bring your windows to life. Custom designs available upon request.

Cut-vinyl Window Graphics Inspiration

Please see page **XX** for media options.
Custom designs available upon request.

Printed Window Graphics

Bring your windows to life with ARC's custom printed window graphics.

Printed Window Graphics Inspiration

Available on a variety of media
Standard sizes A4, A3, A2, A1, A0

Printed window graphics with cut vinyl lettering.
(example)

Solid printed window graphics.
(example)

Whether you choose from a wide range of pre-existing artwork, or request a bespoke design by ARC's in house design studio, printed window graphics will bring your windows to life this holiday season.

Any image or graphic can be printed, and custom text can be incorporated in to the design (if required).

Printed images can be 'translucent' allowing your shop interior to be seen through the image, or 'solid' making the image stand out with vibrant colours.

Contact our sales team today to ask about our wide range of graphics to suit any budget.

**HUGE
RANGE**
of xmas graphics
and images
available!

Printed Wall Graphics & Door Graphics

Graphic Installations

No matter how big your graphic installation, ARC can deliver.

Installs you can trust

From full wall graphics to safety floor stickers, our experienced install team can ensure your graphics are installed at a time convenient with you.

The graphic installation shown to the left and below was installed overnight by ARC ensuring the store could re-open the following day without losing any custom.

All content included in this catalogue (including, but not limited to, logos, images, photos, designs, graphics and text) is the property of ARC UK Technologies Ltd and as such is protected by UK and international copyright and other intellectual property laws. Any unauthorised reproduction or copying of the products, graphics or images featured in this catalogue and belonging to ARC UK Technologies Ltd may result in legal action.

ARC's Pre-designed Christmas Signage Range

Cost effective off-the-shelf Christmas Signage designed by ARC.

All signs can be customised with your company logo and/or corporate colours, alternatively our in house studio can create bespoke signage to suit you brand.

Choose from the following designs:

DESIGN OPTION A

See our full range on pages 18 - 21

DESIGN OPTION B

See our full range on pages 22 - 25

DESIGN OPTION C

See our full range on pages 26 - 29

DESIGN OPTION D

See our full range on pages 30 - 33

DESIGN OPTION E

See our full range on pages 34 - 37

DESIGN OPTION F

See our full range on pages 38 - 41

Ordering is easy

Ordering your Christmas signage is easy:

1. Pick your design style (A, B, C, D, E, or F)
2. Choose your sign type
3. Pick the messages you require.

Safety first

ARC also offer a free consultation to select and provide social distancing and safety signage. For more information, or to discuss your requirements, please email our safety team at:

holidays@e-arc.com

Magnetic Media

ARC specialise in magnetic and attractive solutions to within all aspects of the store or showroom environment to make changing or updating graphics quick and easy.

Below you'll find the main sectors of retail in which our products are most commonly used.

Visual

Visual displays, whether image-based, information-based, or a combination of both, are key for communicating a variety of messages to existing or potential customers. We offer a number of products, which either work alone or in conjunction, to provide retailers with various methods of Retail Visual communication.

POS

Point of Sale material, whether promotional or informative in nature, can be displayed via a variety of methods. We offer a comprehensive array of magnetic products with POS applications, allowing retailers to magnetically fix, hang and hold promotional material in a variety of ways.

Showroom

Retail Showrooms and large and open-plan retail environments benefit from using a versatile and comprehensive display system.

Other Safety Signage

ARC also has a wide range of standard safety signage helping staff and customers stay safe. ARC have provided consultations to 100's of companies globally throughout this challenging time.
