

## Print & Plant Program

A collaborative initiative to restore forests around the globe.

Team up with ARC and the non-profit environmental organization, One Tree Planted, to make a positive impact on our planet!

The Print & Plant program is a tree-for-tree reforestation effort based on the volume of office paper our clients print.

Please contact your sales representative and join the program.

# One tree at a time, we can make a big difference.

When you print with ARC's Print & Plant program, you'll replace every tree used. For every donation you make based on your paper consumption, ARC matches it. And with two donation levels, you can choose to maintain or even expand reforest efforts around the world.

## 1 One Tree Together

For every 8,333 sheets you print, we collect a donation of 50 cents, match with 50 cents of our own, and plant one tree.

## 2 Tree-for-Tree

For every 8,333 sheets you print, we collect a donation of one dollar, match with a dollar of our own, and plant two trees.

Here are rough estimates based on the size of organizations with a 10k annual prints per employee.

Company size	Estimated annual prints	Your estimated contribution	ARC contribution	Trees planted
100 Empl.	1,000,000	Option 1: \$60	Option 1: \$60	Option 1: 120
		Option 2: \$120	Option 2: \$120	Option 2: 240
500 Empl.	5,000,000	Option 1: \$300	Option 1: \$300	Option 1: 600
		Option 2: \$600	Option 2: \$600	Option 2: 1,200
2,500 Empl.	25,000,000	Option 1: \$1,500	Option 1: \$1,500	Option 1: 3,000
		Option 2: \$3,000	Option 2: \$3,000	Option 2: 6,000

## Print & Plant Program Member Package includes

- Certificate of reforestation
- Quarterly updates on reforestation projects
- Use of Print & Plant program logo, photos, videos and other resources to promote your sustainability initiatives
- Donations are tax deductible
- (...and brownie points from the planet!)
